1 The Court today issued its Minute Order (ECF No. 57) directing the parties to file a status
2 report by 2:00 pm as to whether the information contained in the United States' Notice of New
3 Information (ECF No. 56) has rendered Nevada's Motion for Preliminary Injunction (ECF No. 2)
4 moot. The United States, on behalf of all Federal Defendants, reports as follows.

5 The United States believes that Nevada's Motion for Preliminary Injunction is moot
6 because no more plutonium will be shipped to the Nevada National Security Site as part of the
7 Supplemental Analysis's proposed action. All other shipments of plutonium under the
8 Supplemental Analysis's proposed action are going elsewhere.
